

St Matthew's Friday Feature

Friday 10th February 2023

Art Week

"In Art Week we learned all about colour psychology and how different colours can change your emotions and the way you feel by doing a double page spread. For example, blue normally calms the human body, hence why you might see the colour blue more often than others.

Do you wonder why fast food restaurants have red on them? It's because the colour red alerts your body, so these restaurants have red on their logo to catch your attention.

We also created mood boards to express our emotions and creativity. In our mood board we used a combination of drawings and materials being stuck in our books. Finally, the last project we did was create faces out of acetate and created sculptures for words using card." by Chidera

Mufti for Turkey Disaster

On Friday 17th February we will be holding a mufti day in aid of the terrible earthquake in Turkey.

We hope that everyone will support this very worthy cause and donate at least £1 per child to wear their own clothes on this day.

Thank you for your support.

Dates for your Diary

17 February	Mufti for Turkey
20 to 24 February	Half term
3 March	World Book Day
17 March	Red Nose Day
3 to 14 April	Easter break
26 to 27 April	Year 2 Kingswood
9–12 May	Year 6 SATS
29 May to 2 June	Half term
5 June	PD Day
6 June	Back to school
7 to 9 June	Year 6 Arthog

World Book Day

The theme for this World Book Day follows the message "You Are a Reader". The World Book Day organisation will be working with schools and nurseries to distribute gift vouchers to ensure that all children can have a book of their own.

We would love all our children to embrace getting dressed up as a book character on Friday 3rd March 2023. Mrs Wilson's group who are on their trip should remain in school uniform on this day.

Dogs Trust

"On Tuesday we had the Dog's Trust come in to visit us. The lady talked to us about how we are meant to behave around dogs to keep ourselves safe. She also told us that it was important because we wanted the dogs to be happy too. Did you know that not every dog is safe and cuddly? Some dogs that look kind might not be feeling well or many have some funny feelings in their head which means that they feel grumpy. We must never just hug a dog because the dog cannot get away from us and it is not safe!

We also learnt that we must always ask the owner first before we stroke the dog. We really enjoyed the visit and we hope you have learnt some important facts from this too!" by Class 3/4 SW

Cricket

On Wednesday I took 10 year 5/6 children to a Kwik Cricket tournament at Telford Tennis Centre. We were competing against 18 other Telford and Wrekin schools. We were all split into groups and played 6 games each. We managed to win 5 out of the 6 games meaning we were placed 2nd overall in our group. We were then into the knockout stages where we were playing to be placed within the top six schools. We played fantastically and were eventually placed 5th overall. That was a fantastic achievement considering we haven't played cricket since September. All children batted and fielded superbly, working together as a team and encouraging each other no matter what the result was.
