Year of Reading

A Wonderful Afternoon of Story Sharing

As part of our Year of Reading celebrations, the whole school enjoyed a special treat this afternoon. Teachers swapped classes and spent time reading a favourite story to a new group of children. The excitement around school was brilliant to see—children loved hearing a different voice, discovering new books and sharing stories with someone they don't usually have as their teacher. It was a lovely way to celebrate the joy of reading together and to show that stories can bring every class and every adult in our school community together.

Autism Awareness Day - Friday 1st May

This month is Autism Awareness month. World Autism Awareness Month is an opportunity for everyone to come together and raise awareness, acceptance, and create a society where autistic people are supported and understood. So, on Friday 1st May, we will be asking children to wear **blue** and pay £1 in support of this.

During the school day we will all be developing our understanding of what Autism is and how we can support others who have Autism.

Safeguarding and Peer Buddies

Our Peer Buddies and Safeguarding Board are delighted with their new high viz vests so that children on the playground can identify them. Peer Buddies are in green and Safeguarding in red.
