Maths Planning – Depths of numbers within 20

<https://classroom.thenational.academy/units/depth-of-numbers-within-20-16d1>

Please use the link above and complete one lesson a day (Lessons 6-10). Work is to be recorded within the yellow home learning books (handed out with CPG books) and corresponding work will be put on Seesaw. Numbots can also be used to support children's number knowledge and have fun!

Read Write Inc. – Phonics

https://www.youtube.com/channel/UCo7fbLgY2oA_cFCIg9GdxtQ

Daily phonics lessons will be available on the Ruth Miskin YouTube site, for set 1, 2 and 3 sounds. Please use the set one sounds daily. Why not then have a go at practicing the letter formation of the sounds learnt that day, write a few words with that sound in and then as an extra challenge put one of those words in a sentence?

Religious Education – Sermon for Kids

<https://sermons4kids.com/categories/people-in-the-bible>

This week's person from the Bible that we will be learning about is **Abraham and Isaac**, so enjoy the sermon with your adult and then have a go at one of the suggested activities.

Planting

Monday – Listen to the story the Tiny Seed and have a go at writing the sentences all about where the different seeds land. Can you have a go at creating your own?

https://www.youtube.com/watch_popup?v=I A e6h-DhU

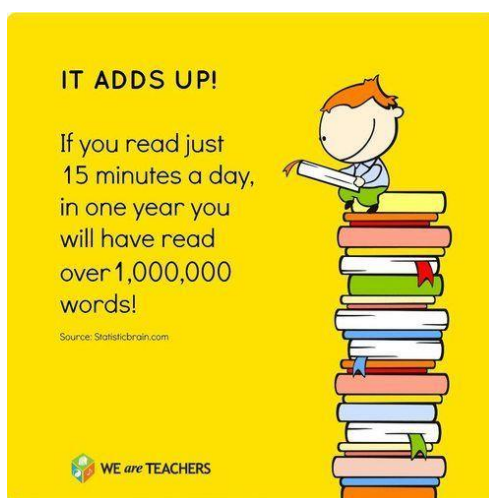

Tuesday – Listen to the story the Tiny Seed again, can you use a Tiny Seed and create its own journey across the land. Where will it land? Do not forget your story needs a beginning, middle and an end. It would be fab to see some of these on Seesaw. 😊

Wednesday – Could you do some planting today? What will you plant, what do you need before you get started? What kind of conditions will suit your seed/bulb?

Thursday – Seed dispersal https://www.youtube.com/watch_popup?v=3CCOWHa-qfc Listen to this song, can you make a list of the way seeds move and define what **dispersal** means?

Friday – In School we are celebrating World Book Day, we would love to see you enjoying your favourite books. <https://www.worldbookday.com/> The website has hundreds of ideas and completing one with your child that your child has chosen would be amazing. Below is a share a story activity that all children can do if you don't have access to the internet. Have fun reading!

Reading – Please read as often as you can with your child during this time home learning, whether that be you reading to them or allowing them to make up stories from books you may have in the home. Oxford owl provides many books at a range of different abilities so enjoy.
