

<p style="text-align: center;">PSHE 'Healthy Me'</p> <p>I can justify different ways that emotions can affect responsible choices and evaluate strategies that people could use to help them stay happy and healthy and to reduce risk-taking behaviour.</p> <p>I can evidence my thinking about making responsible choices and managing the internal and external pressures that might influence me.</p> <p>This will be reinforced with a visit to Crucial Crew. This is where the children learn about being safe in society and making sure that they are aware of dangers in and around their lives. These sessions will consist of a range of professionals from the NHS, Police and Fire services.</p>	<p style="text-align: center;">RE</p> <p>Pupils know that there is much debate and controversy around the relationship between creation stories in Genesis and scientific accounts. They can outline both points of view. They know that there are many scientists who are also Christians.</p>		<p style="text-align: center;">Maths</p> <p>As mathematicians, we will cover the following areas:</p> <ul style="list-style-type: none"> • Problem solving/project working related to current events such as Euro 2024 and Bake Off themes. • Children will be designing their own board games that are related to maths that has been learnt during Y6/KS2. • Areas of maths to be recapped include statistics, time, measurement, word problems involving calculation.
