

Science
As Scientists, we will..
Exploring a range of materials to:

- recognise and sort materials according to their properties.
- identify different materials and explain why they have been used.
- identify and compare the suitability of a variety of everyday materials,
- explore and explain how the shape of materials can be changed.
- Investigating which material would be best to make a set of curtains.

RE

For spiritual and moral development, we will..
Answering the following question: When Jesus left, what was the impact of Pentecost?

- Know that Christians believe that after Jesus returned to be with God he sent the Holy Spirit at Pentecost to help the church make Jesus kingdom visible by living in a way that reflects the love of God.
- Know the events of the day of Pentecost.
- Know the symbols used for the Holy spirit that is; Wind/Fire/Dove/Water/
- Know the that Christians consider the church to be the 'Body of Christ' and that one body has many parts.
- Know the term 'Fruits of the spirit' and how Christians believe that these are the qualities they should develop with the help of the Holy Spirit.

English		
Writing	Grammar and punctuation	Reading
