

Science As Scientists, we will... In this unit, children will learn about evolution, inheritance and adaptation. They will explore how characteristics are passed from parents to offspring, how animals and plants adapt to their environments, and how these adaptations can contribute to evolution. They will also learn about selective breeding and how humans can influence the characteristics of plants and animals. The children will be introduced to Charles Darwin and his theory of evolution, including how small variations within a species can give some individuals a better chance of survival. 	RE For spiritual and moral development, we will... Looking at how following God can bring freedom and justice. The class will be looking at bible stories such as Moses and the Israelites, recapping the main events and messages involved. Children to consider the pros and cons of following what is right despite how difficult that decision might be. 		Maths As mathematicians, we will cover the following areas: • Place Value up to ten million • Rounding of whole numbers • Recap of written methods for addition and subtraction • Word problems involving mixed operation steps • Long Multiplication • Long Division • Factors and Multiples • Prime Numbers 						
	English <table><tr><th>Writing Skills</th><th>Grammar and punctuation</th><th>Reading</th></tr><tr><td>We will be looking at the common features included within persuasive writing and setting descriptions.</td><td>Within setting descriptions, we will be looking at expanded noun phrases to describe the various senses of a narrator. Different types of sentences will also be looked at understanding both main and subordinate clause structures. Adding description through expanded noun phrases also.</td><td>Our class read is 'Holes' written by Louis Sachar based on an unlucky boy who is sent to a camp to learn how to grow up and become more independent. However, a turn of events reveals the secrets of the camp and why indeed the campers are digging holes upon holes.</td></tr></table>		Writing Skills	Grammar and punctuation	Reading	We will be looking at the common features included within persuasive writing and setting descriptions .
